

BABY PLAY & CONNECT

Mondays 10:30am to 12:00pm

For parents with babies under 12 months old

For more information contact

8243 5599

This group is for parents with babies under 12 months of age, supporting them to build their relationships through play, and understanding stages of their babies development through their exploration of the environment.

Babies learn and develop through play. The focus of this group is to enhance the attachment relationship between babies and their parents in a safe supportive environment through music, stories & interactive & stimulating group activities.
